FEBRUARY 2025

“

Welcome to our february newsletter! We are excited to share highlights from last month and what's ahead. Thank you for your ongoing support.

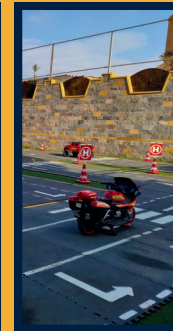

FIRE TOWN

This month, we held an exciting Fire Town Day! Our students had a chance to learn about fire safety at home, in the car and on the street. They drove electric fire trucks and put out fires. It was a day of happiness and laughter. Education through fun in the way to go!

TIPS FOR PARENTS

Celebrate Achievements: Acknowledge and celebrate both big and small accomplishments. Positive reinforcement boosts confidence and motivation.

PARENTS

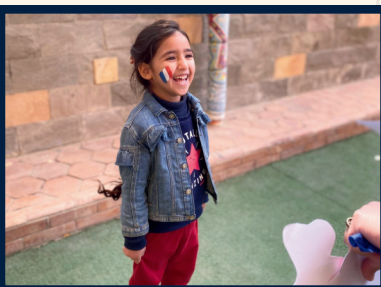

FRENCH AND GERMAN DAY

Our KG students had the exciting opportunity to participate in a fun-filled French and German Funday, celebrating the richness of these two beautiful languages and cultures. Students were immersed in a variety of activities designed to enhance their understanding of French and German traditions, music, and language.

VOLUNTEERING PROGRAM

This month we would like to thank Ms Btisam, mommy of Layla and Yamen, for supporting teachers and students during the French Day!

PARTY

MYSTERY READER

We had a special Mystery Reader event where two of our wonderful parents came in to read a book to the students. Mommies read captivating stories that kept everyone engaged, sparking the students' imaginations and encouraging a love for reading. It was a wonderful way for our students to connect with their community and hear a story from a different perspective. The children loved the interactive experience and enjoyed discussing the book after the reading. A very big thank you to Ms Asmaa, mommy of Elias, and Ms Yasmin, mommy of Ameena, for sharing their time and bringing stories to life for our students.

This month we celebrated our dear students born in the months of February and March. Happy Birthday to Adam, Ahmed, Ezzeldin, Hamza, Lara, Layla, Majed!

KINDERGARTEN CHARACTER

KG FAMILY PROJECT

Our Kindergarten students worked on a fun and delicious Family Project centered on their favorite homemade foods! Each student was invited to share a recipe and story about a dish that their family loves to make together.

BUILDING PROGRAM

This month, our focus has been on building important character traits like cooperation and respect. Students have been learning how working together as a team makes everything easier and more fun. Whether it's helping a classmate with a project or taking turns during playtime, cooperation has been at the heart of our activities. We've also discussed the value of respect, treating others with kindness, listening carefully, and showing appreciation for differences. Students have been practicing these values both in and out of the classroom, and it's been wonderful to see how they support each other and create a positive, inclusive environment.

READING EVENT

Our Kindergarten students participated in a Class Reading Event, where every child had the opportunity to read aloud and practice their reading skills. It was a wonderful moment for the children to build confidence and take pride in their progress.
