SHARING IS CARING

This month, our dear students participated in our annual 'Sharing is Caring Day', where they brought gifts for all their classmates. Kids were very excited and appreciated the value of giving rather than receiving. It was a memorable experience.

TIPS FOR PARENTS

Communicate with Teachers: Stay in touch with your child's teachers. Regular communication helps you understand your child's progress and any areas where they may need support.

The karate performance was not just an exhibition of skill learned in the Karate Club, but also a celebration of the hard work, focus, and dedication of our students. It was an inspiring reminder of how sports and physical activity can shape our students into strong, confident, and respectful individuals.

MUSICAL CLUB PERFORMANCE

During the Music Club students learn how to play various musical instruments. We could not be prouder of our talented students showcasing their skills in a beautiful performance. Our school was filled with music, rhythm, and pure joy as students took the stage.

KINDERGARTEN CHARACTER BUILDING PROGRAM

KG FAMILY PROJECTS/SHOW AND TELL

KG and Prek students had their monthly opportunities to improve their oral and presentation skills. This month kids and parents exerted effort to prepare amazing projects about favorite animals, seasons. Students gain more and more confidence in speaking publicly, as well improve their listening skills.

Character Building is a crucial program supporting our students' social and emotional well-being. This month Pre-K students practiced self-confidence, discussed the importance of being responsible and cooperative. While KG students learned about the value of telling the truth and keeping your word, as well as cherishing family values. In our busy lives, it's easy to take our families for granted. But when we stop and reflect on their importance, we realize they are our greatest support system.
